*"A loan from  
the bank  
saved my  
barn!"*

"I HAD a big investment in my farm and I had to protect it. For one thing the barn needed a lot of fixing. I found I could get a Farm Improvement Loan that would cover all the repairs at terms I could afford. So the barn's fixed and my livestock, machinery and crops are protected. I actually *saved* money by repairing the barn *right away*."

Ask for a copy of this booklet. It tells all about Farm Improvement Loans.

**FARM IMPROVEMENT LOANS**  
can also be used for

- New implements, machinery and equipment.
- New foundation or breeding livestock.
- Farm electrification.
- Fences, drainage and other developments.
